AlumierMD Professional Peel

AlumierMD Peel Treatments are the ultimate in customized peel experiences to help your specific skin concerns. They have a unique complex of ingredients that decrease the visible signs of aging including fine lines, wrinkles and hyperpigmentation, like age spots, discoloration and uneven skin tone. AlumierMD Peels also target acne by unclogging pores and calming irritation and redness. This unique experience includes an exfoliating peel treatment and brightening enhancers, followed by targeted treatment serums, which will reveal more radiant, soft and luminous skin.

BONUS: In addition to your glowing complexion, you will also receive a free AlumierMD post procedure prescriptions kit!
